

National Association of Musical Instrument Repairers

AUTUMN MEETING

**Monday 27th September, DENIS WICK FACTORY and
Poole Technical Plating, Poole, Dorset.**

Our Autumn Meeting this year is by the kind invitation of Stephen Wick.

Denis Wick needs no introduction, the name is synonymous with quality brass instrument mouth pieces and mutes. This day out offers you the opportunity to see these being made. From the highly skilled metal spinners to the advanced CNC machines, this visit should be highly informative.

Poole Technical Plating carry out regular work for Denis Wick. We shall be concentrating our visit in the silver plating department.

As usual there will be ample opportunity during the day for general discussion and the sharing of ideas. We will be having lunch in a pub which is about 2 miles from the site. Any partners of members who do not wish to visit the works may prefer to visit Poole for shopping or Poole Museum which is about 5 minutes away.

Both works have requested small numbers and these have been fixed at 20. **PLEASE RESERVE YOUR PLACE EARLY. First come first served.**

Location: Denis Wick, Unit 19, Dawkins Road, Hamworthy, Poole, BH15 4JY.
Rail Station: Hamworthy.

The timetable for the day is:

10.30	Assemble at the Denis Wick Factory for the main visit.
12.30	A short drive to "St.Peters Finger" Pub, Lytchett Minster, for lunch
14.30	Return to Hamworthy for visit to Poole Technical Plating
16.00	End

Times are approximate.

There is no charge for this event.

Please return the slip below or request your reservation by email to:

Jim Beckett, 14 Pennard Way, Chandlers Ford, Eastleigh, SO53 4NJ. If you have any queries please contact me on 02380261645 or jimbeckettmusicrepair@talktalk.net
